MARGARET CRISPE: She was the 2nd wife of John Crispe the Younger and died in 1528. Her inscription reads:

“Here lyeth mistress Margaret Cryspe late wyffe of master John Cryspe the yonger, dowter and Ayer unto Gorge Rotherham Esquier. Margaret dyed the XVIII day of Maye ye yere of or lord god M^VcXXVIII

The defacing of the brass was because the wording was objected to by the Reformers.
