

## PARISH OFFICER 1738 - 1826

### Gilbert Stringer

Almost certainly the job of **Parish Officer** would have been either Churchwarden, Church Secretary (Clerk) or Church Treasurer.

On the grave stone of **Gilbert Stringer** it states that he was **Parish Officer** for 37 years. Almost certainly the job of **Parish Officer** would have been either Churchwarden, Church Secretary (Clerk) or Church Treasurer. So he may have done all three jobs during his thirty seven years of office or stuck to one of them for the whole time. At the same time he was **Treasurer to the Workhouse** (30 years) and **Master of the Charity School** (33 years).

**A very busy man!**
